Business History: International House of Sauces & Seasonings, Inc., (IHSS) was formed in 2007, as an S-Corporation in the State of Illinois. IHSS sauces originated in 2003, at a former restaurant called, Chickadilly's Charhouse, located downtown Chicago, 176 N. Franklin Street. Chickadilly's Charhouse specialized in serving a variety of international sauces over flame-grilled food products. Now, these sauces under the brand name of "Charboy's" sauces are sold in over 400 grocery stores and retail specialty stores throughout Illinois, Indiana, Iowa and Wisconsin. To name a few locations, you can find these sauces at Jewel-Osco, Roundy's stores: (Mariano's, Cops, and Pick'n Save), Pete's Fresh Market, and other specialty stores. Charboy's sauces will continue to expand to the mid-west area.

All of Charboy's branded sauces appeal to customers with its selection of innovative flavors that are healthier, natural, and convenient for ease of use at-home dining. Charboy's sauces come with great taste and are lower in sodium, sugars, carbohydrates, and calories as compared to most national branded sauces within its category.

In 2017, Charboy's will launch its first line of char-grilled tasting and seared fully cooked whole wings and boneless chicken thighs. Both products are offered as retail or food service size in Caribbean Jerk (spicy) or Homestyle (low sodium) season to appeal to everyone! The fully cooked chicken products are all natural with no fillers!

Business Mission: IHSS' mission is to develop healthier options of sauces and seasonings for consumers. "Charboy's sauces are not just sauces, it's healthier living."
